Dear Sirs,

I write on behalf of parc y dre pensioners bowls club to request the grant of £500 for the 2026 season.

Also enclosed is the clubs latest bank statement as requested.

If you require any further information, please do not hesitate to contact me.

Kind Regards,

Peter Whitcombe - Treasurer

Good afternoon Arfon.

I hope you and your family are keeping well,

I refer to the above , and can inform you that New Dock Stars wish to apply for a Local Community Grant. I shall be pleased if you can place our request forward in your next available meeting.

I have outlined below New Dock Stars work in the Community.

At present we run three rugby teams :-

- New Dock Stars RFC 1st XV who play in Division 2 West of the WRU Admiral Men's National League
- New Dock Stars RFC 2nd XV who started up this season and play in the Llanelli and District Scarlets League. This is a new team.
- New Dock Stars RFC Under 16 , last year's unders 15's

In the Summer New Dock Stars started training sessions for our Mini Stars.

Mini Stars is designed for children aged 3-6 (U4-U6) and the training sessions will give a competitive edge to all involved in minis and junior rugby. It was launched in July of this year and wil continue in the winter months. Numbers have reached over 40 plus. It's one of the most important parts of the club which New Dock Stars wish to promote. It's our opportunity to bring children and families into NDS early, build a connection with the club and Community and create a sustainable pathway into junior rugby.

Llanelli Warroirs RFC
This Summer New Dock Stars hosted two games for rugby players with learning difficulties both Senior Mens and Senior Womens games with opposition from England.

I have attached photographs

Kind regards

Secretary/Treasurer:

Affiliated to the West Wales Football Association and Members of the Carmarthenshire Football League & West Wales Women's and Girl's League

Dear Sir/Madam

10th Sept 26

Dear Members of the Council

We would appreciate your consideration towards some financial assistance for the running of the above football club.

We provide Local Grass Roots football for a wide diversified background of the Llanelli area and from all cultures.

We currently within the local leagues run **14**+ teams of minis and juniors age - that is under 7's through to under 15's with some 250+ children in these groups we include 3 x girls sides who represent a growing interest and those are in recently formed West Wales Girls leagues and we also field two Senior sides.

All of these sides play and train in the excellent facilities at Penygaer Fields and Llanerch Fields utilizing the space and helping give back to the community.

We have been members of the Carmarthenshire league for over 40years and firmly believe in developing the club for the benefit of the younger players – some going onwards to higher levels 0ncluding a recent FA Cup appearance this weekend gone.

We have recently upgraded our coaching staff qualifications, putting 15 coaches through the FAW level 1 courses to offer better engagement

This along with parents and supporters provides a large following in the area but it does produce a tremendous burden on the club in order to continually provide and maintain equipment and a safe environment for them to play and develop.

We are a progressive club that is striving to provide an identity to these young players along with the opportunity to play grass roots football and would be grateful for your consideration of help in a grant to allow for more training equipment and a "ball for all"

If we can provide any further information, then please do not hesitate to contact myself and we look forward to you earliest advises.

Many Thanks - Yours in Sport

Bwlch Rangers A.F.C.

Bwlch Rangers A.F.C. is a Welsh football club based in Llanelli, Carmarthenshire, founded in 1926. They play their home matches at Glanmorfa Park. Over the years the club has enjoyed considerable local success, including winning the senior county cup multiple times—making them one of the most successful teams in the region. Though they faced operational challenges and even withdrew from league competition in October 2022 citing player-number issues, they announced their return for the 2023-24 season. The club remains an important part of Llanelli's grassroots football community and carries a proud local heritage.

Last season I (Karl Morgan) and along with my brother Kyle Morgan we formed Bwlch Rangers AFC Juniors. We originally formed one mixed under 14's football team, but due to the number of girls that wanted to join, we also formed a Bwlch Rangers Girls under 14's team also. As there are differing FAW regulations regarding girls youth football, our girls only team includes players of ages ranging from 12-15.

This upcoming season we are expanding our junior set up to include U15's mixed, U13 mixed, U11's mixed, U9's mixed, U7's mixed and possibly an U12's mixed sides.

Our teams include players from all areas of Llanelli, with our pitch based in Morfa. We will need to increase our training equipment inventory for both our teams that currently train together, but we will most likely need to split due to the numbers involved. We require all standard items including footballs, training bibs, cones, markers, water bottles etc. We thank you for your consideration

Regards,

Karl Morgan

Re: Financial Assistance for Season 2026

In the past the Town Council have kindly awarded us a grant to help our members pay for the club's various expenses during the year.

On behalf of the club I therefore enquire if you could again provide some financial assistance to help subsidise our affiliation fees and insurance premiums, all of which have increased since last year.

Our overall membership has reduced over the years, which has increased costs per head, however all efforts are being made to attract new members to the club.

I attach for your records our latest Barclays bank statement dated 4th June 2026.

Last season due to our secretary's health issues an application for financial support was not submitted. Thankfully, her health has improved, and she remains an active member of both the club and county organisation.

I therefore hope that you are able to assist us again this season and possible for last season's costs.

Yours Sincerely

Request for Funding

Dear Councillors

Llanelli Multicultural Network (LMCN) is a Constituted Voluntary Organisation, run entirely by volunteers.

We have been active in Llanelli since 2007 offering support to people from the diverse and minority ethic communities, and working towards creating a cohesive community, whilst celebrating the diverse cultures of all the people in Llanelli (including Welsh and British culture).With partners we deliver free Welsh Classes

We have for most of that time been running a weekly Multicultural Drop In Centre, a place people from all backgrounds can come and make new friends, take part in the free English lessons and access help and support from a wide range of agencies and organisations.

Each year we have find there to be an increase in demand for the services and support we provide with more people coming to the Drop In Centre and attending our events and activities.

During the last year we have been fortunate to have increased the number of volunteers we have, who give their time, energy, skills and experience to the organisation.

During the year we deliver (often with partner organisations)

- Holocaust Memorial Day
- St David's Day activities and Celebrations
- International Women's Day Celebration
- International Children's Day Celebration
- International Day of Peace Celebration
- Celebrations of different cultural days, including Polish Heritage Day and Diwali etc
- Large scale end of year celebration "Christmas around the World"

And much more!

We are requesting a grant to allow us to continue this essential work and the other services and activities we provide.

Should Llanelli Town Council be willing to offer funding we will ensure that the contribution is fully recognised in all our marketing and publicity, including social media channels.

With kind regards

admin@angor.org.uk

Dear Clerk, Chair and Members of the Council,

I am writing on behalf of Angor, a Carmarthenshire-based charity supporting people living with cancer, life-limiting illness, and their families and carers across our county.

We are reaching out to councils throughout Carmarthenshire to explore how we might work together to strengthen local wellbeing and ensure residents affected by serious illness can access support close to home.

Who We Are

Angor was founded in response to a clear message from local people: once medical treatment ends, many individuals feel isolated, anxious, and unsure where to turn next. While clinical care is essential, it does not address the longer-term emotional, practical and social challenges that follow diagnosis and treatment. Our role is to bridge that gap.

We provide safe, welcoming, non-clinical community spaces where people can rebuild confidence, reconnect with others, and begin to move from illness to wellness. Our services are shaped by lived experience and delivered locally wherever possible.

Across Carmarthenshire we offer:

- Emotional and practical support for individuals living with cancer or life-limiting illness
- Support for carers and family members

- Drop-in sessions, wellbeing activities and peer support
- Confidence-building and recovery guidance
- Access to specialist partners for legal and financial advice
- A growing volunteer network delivering support within local communities

Why This Matters Locally

Carmarthenshire faces ongoing challenges including rural isolation, transport limitations, economic pressures and higher-than-average levels of long-term illness. Many people tell us that once treatment ends, they feel "abandoned" by systems that are unable to provide ongoing emotional support.

Local councils play a vital role in promoting wellbeing, reducing isolation and strengthening community resilience. With your support, we can extend our reach and ensure more residents can access the help they need within their own area.

How Council Support Helps

Support from councils whether financial, practical, or through partnership working makes a meaningful difference. Contributions help us to:

- Deliver sessions closer to where people live
- Reach smaller and more isolated communities
- Reduce reliance on short-term grant funding
- Develop sustainable, volunteer-led local support networks

Every contribution, large or small, helps ensure that no one in Carmarthenshire faces illness, recovery, or caring responsibilities alone.

Working Together

We would welcome the opportunity to:

- Provide further information about Angor
- Attend a future council meeting to give a short presentation
- Share evidence of impact within your local area
- Explore ways we might work collaboratively to support residents

Thank you for the vital role you play in strengthening your communities and for taking the time to consider this request.

Donations can be made securely via the "Donate" button on our website. If you would prefer to donate by cheque or bank transfer, please contact us and we will provide the relevant details.

With sincere thanks and best wishes,

Linda Williams

Subject: Llanelli Town Council Grants 2026 27

To whom it may concern,

Please accept this application for a Llanelli Town Council Grant for the financial period 1.4.2026 to 31.3.2027. I can see from our records that we last received the grant on 15th September 2025.

The application is in respect of The Rose Garden Project situated in the Elli Ward, adjacent to 63 New Road, Llanelli.

The purpose of our group is to enhance and maintain the plot of land at the corner of Stradey Park Avenue and New Road, Llanelli, commonly known as 'The Rose Garden'.
To work in partnership with other residents' groups in the area, Councils, local residents, other organisations and other bodies to improve the area.

We had been closed since July 2025, but were finally able to reopen in April 2026 when the fallen wall was completed. We have used existing funds to complete some overdue improvements, such as a solid base for the water tank and a lockable storage shed. We still have a lot of work to do replanting the bed next to the fallen wall, but we are planning, (weather permitting!) a Christmas event again this year, and also an event in June 2027 to coincide with the Jo Cox, Great Get Together events. Hopefully we can fully fund these so we can provide food and drink.

I attach a copy of our latest bank statement, plus one for your year end 31.3.26, and should you require any additional information please do not hesitate to contact me.

Yours with thanks

To Llanelli Town Council,

We are seeking funding towards Once Upon a Time nursery community activities.

Our nursery is committed to working with local partners to provide opportunities for our families to connect with activities in the area where they live.

We take part in our local fun days and offer termly progress days on a Saturday for our families to meet each other and enjoy activities for the children.

We go to the library, Llanelli market and other places in our community on a weekly basis, where the children can help us choose and buy local produce from our market and discover what is in their town, helping us to support our community and helping the children feel a part of it.

Any help you can give us to sustain and grow this would be gratefully received.

Many thanks,

Once Upon a Time Manager

Subject: Grant Request – Llanelli Royal British Legion Branch

Hi Arfon,

Following on from our recent conversations, I wondered if you could advise whether Llanelli Town Council would be able to consider a grant for the Llanelli Branch of the Royal British Legion to support our future events and activities within the community.

The branch is currently working to build on our programme of events and increase our involvement within Llanelli, including remembrance activities, community events, veterans' support and opportunities to bring people together throughout the year.

Having some financial support from the Town Council would be greatly appreciated and would help us to continue developing these activities and ensuring that the branch can remain active and accessible within the local community.

I have attached a copy of the Llanelli RBL branch bank statement in support of the request. Please let me know if you require any further information or documentation from us, or if there is a particular grant application process that we need to follow.

Many thanks for your help and continued support.

Kind regards,

Catherine Davies
Branch Secretary

AGENDA ITEM 6

TO: ALL MEMBERS OF THE BUILDING AND FINANCE COMMITTEE

DATE OF MEETING: 12TH OCTOBER 2026

FOOTWAY LIGHTING – ANN STREET GREEN

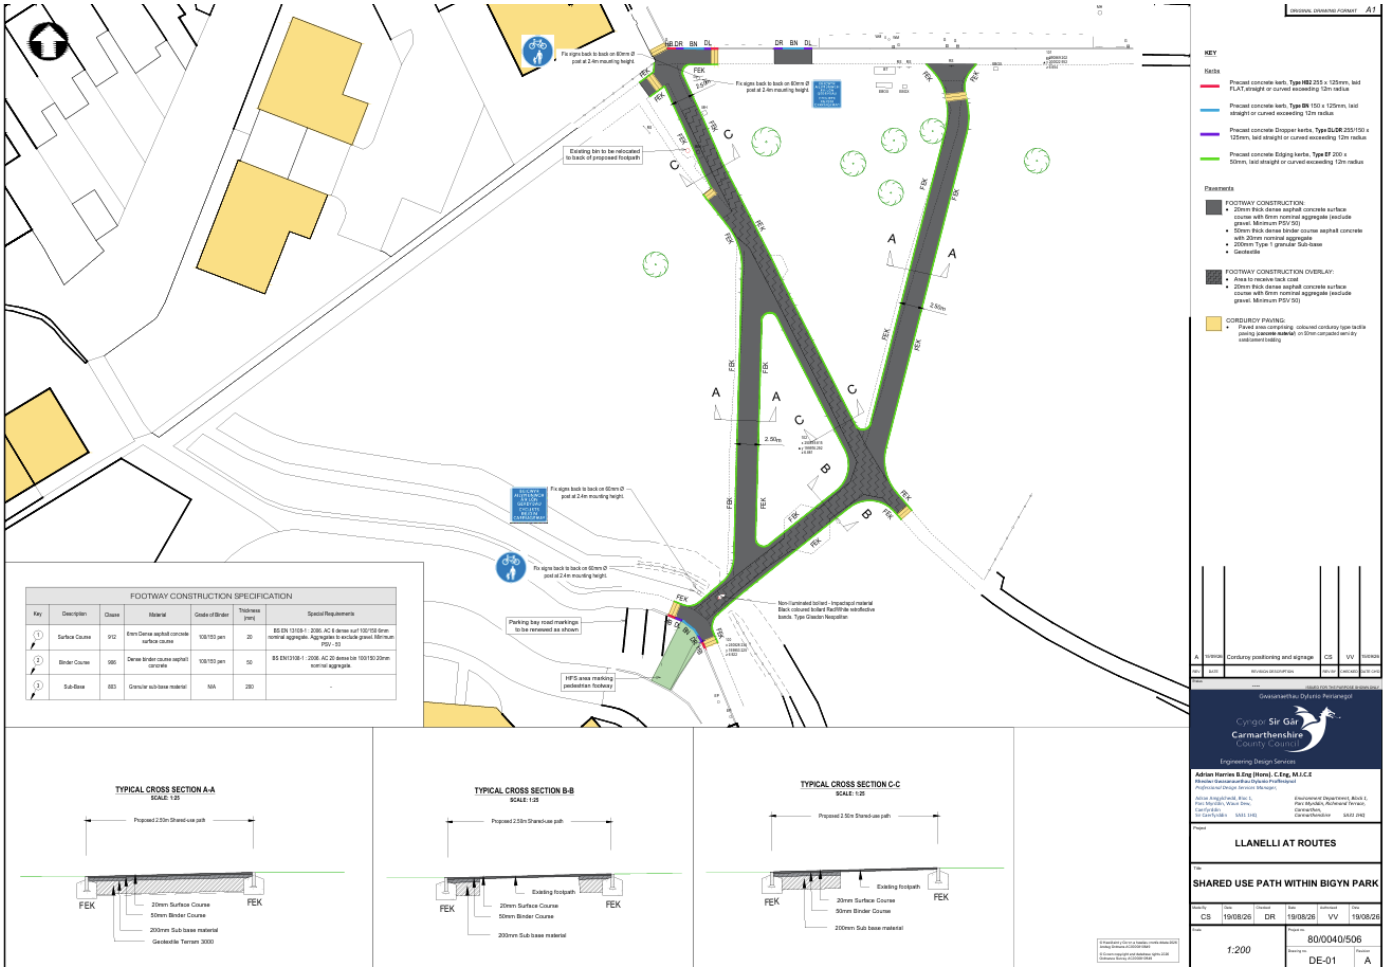

Carmarthenshire County Council have made contact in relation to a proposal for a footway lighting improvement project for the Ann Street Green area. Lighting columns are suggested for the locations detailed on the below plan

Installation of the facilities would be funded via Carmarthenshire County Council project work. A request has been made for the Town Council to consider whether it would be in favour of adding the lights to the annual maintenance and energy charges schedule upon completion. The currently estimated costings have been requested and are awaited from the County Council

The proposals are currently being pulled together along with a wider project. Once proposals are finalised, consultation will be undertaken with local ward members and the wider public. The project planning is therefore at an early stage, with the Town Council's in principle views being sought. Should the Town Council not be prepared to take on the ongoing footway lighting costs, the lighting element would not be taken forward.

The overall scheme plan can be seen below.

RECOMMENDATION

That the Committee approves the proposal in principle while awaiting confirmation of likely costs.

Arfon Davies
Town Clerk

October 2026.
