2. Risk management and internal control

- 2.1. **The council must ensure that it has a sound system of internal control, which delivers effective financial, operational and risk management.**
- 2.2. The Town Clerk shall prepare, for approval by the council, a risk management policy covering all activities of the council. This policy and consequential risk management arrangements shall be reviewed by the council at least annually.
- 2.3. When considering any new activity, the Town Clerk shall prepare a draft risk assessment including risk management proposals for consideration by the council if thought appropriate.
- 2.4. **At least once a year, the council must review the effectiveness of its system of internal control, before approving the Annual Governance Statement.**

- 2.6. At month and financial year end the Town Mayor and Town Clerk shall verify bank reconciliations.
- 2.7. Regular back-up copies shall be made of the records on any council computer and stored either online or in a separate location from the computer. The council shall put measures in place to ensure that the ability to access any council computer is not lost if an employee leaves or is incapacitated for any reason.

3. Accounts and audit

- 3.1. All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations.

- 3.2. **The accounting records determined by the RFO must be sufficient to explain the council's transactions and to disclose its financial position with reasonable accuracy at any time. In particular, they must contain:**
- **day-to-day entries of all sums of money received and expended by the council (documented in the cash book) and the matters to which they relate;**

- 3.4. The RFO shall complete and certify the annual Accounting Statements of the council contained in the Annual Governance and Accountability Return in accordance with proper practices, as soon as practicable after the end of the financial year. Having certified the Accounting Statements, the RFO shall submit them (with any related documents) to the council, within the timescales required by the Accounts and Audit Regulations.
- 3.5. **The council must ensure that there is an adequate and effective system of internal audit of its accounting records and internal control system in accordance with proper practices.**
- 3.6. **Any officer or member of the council must make available such documents and records as the internal or external auditor consider necessary for the purpose of the audit** and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary.
- 3.7. The internal auditor shall be appointed by the council or a committee of the council and shall carry out their work to evaluate the effectiveness of the council's risk management, control and governance processes in accordance with proper practices specified in the Practitioners' Guide.
- 3.8. The council shall ensure that the internal auditor:
- is competent and independent of the financial operations of the council;
 - reports to council in writing, or in person, on a regular basis with a minimum of one written report during each financial year;
 - can demonstrate competence, objectivity and independence, free from any actual or perceived conflicts of interest, including those arising from family relationships; and
 - has no involvement in the management or control of the council.
- 3.9. Internal audit may not under any circumstances:
- perform any operational duties for the council;
 - initiate or approve accounting transactions;

- provide financial, legal or other advice including in relation to any future transactions; or
 - direct the activities of any council employee, except to the extent that such employees have been appropriately assigned to assist the internal auditor.

4. Budget and precept

- 4.1. **Before setting a precept, the council must calculate its budget requirement for each financial year by preparing and approving a budget, in accordance with The Local Government Finance Act 1992 or succeeding legislation.**
- 4.2. No later than February each year, the RFO shall prepare a draft budget with detailed estimates of all income and expenditure for the following financial year taking account of the lifespan of assets and cost implications of repair or replacement.
- 4.3. The draft budget, including any recommendations for the use or accumulation of reserves, shall be considered by the council.
- 4.4. Having considered the proposed budget, the council shall determine its budget requirement by setting a budget. The council shall set a precept for this amount no later than February for the ensuing financial year.
- 4.5. **Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must disclose at the start of the meeting that Section 106 applies to them.**
- 4.6. The RFO shall **issue the precept to the billing authority no later than the end of February** and supply each member with a copy of the agreed annual budget.
- 4.7. The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.
- 4.8. The RFO shall regularly provide the Building & Finance Committee with a statement of income and expenditure to date under each head of the budgets, comparing actual expenditure against that planned.

5. Procurement

- 5.1. **Members and officers are responsible for obtaining value for money at all times.** Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.
- 5.2. The RFO may incur expenditure on behalf of the Council which is necessary to carry out any repair, replacement or other work which is of such extreme urgency that it must be done at once, whether or not there is any budgetary provision for the expenditure, subject to the prior approval of the Chair or Vice-Chair of the relevant Committee and (where on any such occasion it is not the relevant Committee) the Chair and Vice-Chair of the Building and Finance Committee. The RFO shall report the action taken to the next available meeting of the Building and Finance or other duly delegated Committee.
- 5.3. The RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.
- 5.4. Every contract shall comply with the council's Standing Orders and these Financial Regulations and no exceptions shall be made, except in an emergency.
- 5.5. **For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Procurement Act 2023 and the Procurement (Wales) Regulations 2024 or any superseding legislation ("the Legislation"), must be followed in respect of the tendering, award and notification of that contract.**
- 5.6. Where the estimated value is below the Government threshold, the council shall (with the exception of items listed in paragraph 5.13) obtain prices as follows:
- 5.7. For contracts estimated to exceed £20,000 excluding VAT, the Town Clerk shall seek formal tenders from at least three suppliers agreed by the council. Tenders shall be invited in accordance with Appendix 1.
- 5.8. **For contracts estimated to be over £30,000 including VAT, the council must comply with any requirements of the Legislation¹ regarding the publication of invitations and notices about the award of contracts.**
- 5.9. For contracts greater than £3,000 excluding VAT the Town Clerk shall seek at least 3 fixed-price quotes.
- 5.10. Where the value is between £1,000 and £3,000 excluding VAT, the Town Clerk shall try to obtain 3 estimates
- 5.11. For smaller purchases, the Town Clerk shall seek to achieve value for money.
- 5.12. **Contracts must not be split to avoid compliance with these rules.**

¹ The Regulations require councils to use the Sell2 Wales website if they advertise contract opportunities and also to publicise the award of contracts over £30,000 including VAT, regardless of whether they were advertised.

- 5.13. The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (v) below:
- i. for the supply of gas, electricity, water, sewerage and telephone services
 - ii. specialist services, such as legal professionals acting in disputes;
 - iii. repairs to, or parts for, existing machinery or equipment;
 - iv. works, goods or services that constitute an extension of an existing contract;
 - v. goods or services that are only available from one supplier or are sold at a fixed price.
- 5.14. When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the council or relevant committee. Avoidance of competition is not a valid reason.
- 5.15. The council shall not be obliged to accept the lowest or any tender, quote or estimate.
- 5.16. Individual purchases within an agreed budget for that type of expenditure may be authorised by:
- the Town Clerk, under delegated authority, for any items below £1,000 excluding VAT.
 - the Town Clerk, in consultation with the Town Mayor of the Council or Chair of the appropriate committee, for any items below £3,000 excluding VAT.
 - the Council or duly delegate Committee for all items over £3,000;
- Such authorisation must be supported by a minute (in the case of council or committee decisions) or other auditable evidence trail.
- 5.17. No individual member, or informal group of members may issue an official order or make any contract on behalf of the council.
- 5.18. No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the council {or a duly delegated committee acting within its Terms of Reference} except in an emergency.
- 5.19. In cases of serious risk to the delivery of council services or to public safety on council premises, the Town Clerk may authorise expenditure of up to £2,000 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Town Clerk shall report such action to the Town Mayor as soon as possible and to the council or duly delegated committee as soon as practicable thereafter.
- 5.20. No expenditure shall be authorised, no contract entered into or tender accepted in relation to any major project, unless the council is satisfied that the necessary funds are available and that where a loan is required, Welsh Government borrowing approval has been obtained first.

- 5.21. An official order or letter shall be issued for all work, goods and services unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.

Wherever possible, more than one person should be involved in any payment, for example by dual online authorisation or dual cheque signing. Even where a purchase has been authorised, the payment must also be authorised and only authorised payments shall be approved or signed to allow the funds to leave the council's bank.
- 6.3. All invoices for payment should be examined for arithmetical accuracy, analysed to the appropriate expenditure heading and verified to confirm that the work, goods or services were received, checked and represent expenditure previously authorised by the council.
- 6.4. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of employment) may be summarised to avoid disclosing any personal information.

- 6.7. A list of such payments shall be reported to the next appropriate meeting of the Building and Finance Committee for information only.
- 6.8. The Town Clerk and RFO shall have delegated authority to authorise payments {only} in the following circumstances:
- i. any payments of up to £1,000 excluding VAT, within an agreed budget.
 - ii. payments of up to £2,000 excluding VAT in cases of serious risk to the delivery of council services or to public safety on council premises.
 - iii. any payment necessary to avoid a charge under the Late Payment of Commercial Debts (Interest) Act 1998 or to comply with contractual terms, where the due date for payment is before the next scheduled meeting of the council, where the Town Clerk certifies that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of the Building and Finance Committee.
- 6.9. The RFO shall present a schedule of payments, forming part of the agenda for the meeting, to the Building and Finance committee. The committee shall review the

schedule for compliance and, having satisfied itself, shall authorise payment by resolution. The authorised schedule shall be signed immediately below the last item by the person chairing the meeting. A detailed list of all payments shall be disclosed with reference being made within the minutes of that meeting.

- 7.7. Account details for suppliers may only be changed upon written notification by the supplier verified by the Town Clerk or Principal Finance Officer. This is a potential area for fraud and the individuals involved should ensure that any change is genuine.
