MEETING – JULY 2025

COMMUNITY DEVELOPMENT AND ACTIVITIES REPORT

The Town Council has a legal duty under the Well-being of Future Generations Act 2015 to ensure it takes consideration of the Act in all its activities and services. The Town Council Community Development Service supports the delivery of the objectives set out within both the Act and the Carmarthenshire Well-being strategy through its work in Llanelli with Community Organisations and key partners for 2025.

(1) Community Activities

- **FAW Football Programs** – Llanelli Town Council’s Monday turn up and play sessions and Syrian Sir Gar sessions have been nominated for the Fun Football Provider of the Year Award at this year’s West Wales McDonald’s Grassroots Awards. Due to the high numbers that attend each session and the commitment shown by the children. In addition, Llanelli Town Council has been selected to be Carmarthenshire’s only ‘*BE. Football*’ provider for women and girls’ sessions during the summer. Activity will take place at the Cruyff Court with further details to follows.
- **Ysgol Heol Goffa** – The Town Council supported Ysgol Heol Goffa with their sports day which provided opportunities for over 100 children with complex needs attended. Support was also provided for their recent cup fixture, with referees and the provision of facilities at Penygaer changing rooms and playing field.
- **Armed Forces Week 2025 – Flag Raising & Lowering Ceremonies** – The Armed Forces Flag was raised at Llanelli Town Hall on Sunday 22nd June 2025 in partnership with the RBL Llanelli Branch. The Flag Lowering Ceremony will take place on Monday 30th June 2025 at 6:00pm.
- **Llanelli Great Get Together – Saturday 21st June 2025** - The event celebrated everything that we have in common in Llanelli. The event was well attended (despite the rain) with food / information stalls, music and play and was opened by the Town Mayor, Cllr Bragoli. The day was held in partnership with Ymlaen Llanelli, Llanelli Unites, Carmarthenshire County Council with support from the Jo Cox Foundation.

- **Zero Waste Alliance - Zero Waste Charter Launch** - Community members came together at Llanelli Library for the Zero Waste Charter Launch. The project has seen local businesses, organisations, educators, students, and residents come together to launch the Zero Waste Charter (part of our Full Circle project) and explore how we can work together to make Llanelli Wales' first Zero Waste Town. The project also showcased the work of young beekeepers at Ysgol Penrhos.
- **Twinning Rugby Exchange** – On the last weekend of June, twenty-three players under 15s and four coaches from Llanelli RFC make the journey to Agen. The players have fundraised to attend. The Agen Town Council have organised a weekend of culture, sport and language for the attendees. The rugby game will be played on Saturday afternoon between SUA under 15s and Llanelli RFC. The Town Council's Sports and Youth and Activities Officer will attend and act as a liaison with the Town Council in Agen. It is hoped that this will be a start of regular rugby exchange between the 2 towns.
- **Summer Activities planned for 2025** – Llanelli Town Council summer sessions timetable will be busier than ever across its parks, sports facilities, and green spaces. Planned events include girls' football and family picnics in a variety of parks. Date: Wednesday 2nd July

That Llanelli Town Council recognises the work of all its Council members and officers in bringing a new Community Centre to Penyfan.

We now urge the Town Council to understand the strength of feeling from the Penyfan community that they should have a say on the naming of the Centre and notes the petition already received from the area.

We ask that the Town Council now undertakes a full public consultation exercise with all residents and community groups operating within Penyfan around the naming of this new facility.

AGENDA ITEM 9

Motion to Llanelli Town Council

Meeting Date 2nd July 2025

As residents and councillors, we have read and noted with interest the concerns around the ITU unit at Prince Philip Hospital.

Concerns have been raised by patients, families and staff around the downgrading of the ITU and constant transfer of ITU patients from PPH to Glangwilli. A recent posting on social media stated **"Its disgusting and heartbreaking for families of Llanelli needing this level of care"**

Fellow councillors may know that in order to undertake this transfer that a medical unit travels from Cardiff to facilitate the transfer. This unit is known as the Adult Critical Care Transfer Service. Each transfer is at a price of around £6,000! The staff within ITU are qualified, highly trained and competent staff who are truly committed to their patients. Staff and patients are concerned about this unnecessary transfer and one of the reasons quoted is that consultants won't travel to PPH to conduct reviews!

After being made aware of this issue a couple of month ago I have been undertaking Freedom of Information requests with health boards and had consultations with persons it affects. The FOI response from HDHB being that between 1st February 2024 and 31st January 2025, 34 patients have been transferred, that is at an estimated cost of £204,000 +!

We are concerned of the risk this poses to our communities and the loss of critical services. We are losing services within Llanelli and this cannot go unquestioned and challenged by persons who have been elected to represent the community and their concerns.

Motion:

That Llanelli Town Council writes to HDHB and the Welsh Government asking the following questions-

- 1 – Why is there a need for such transfer when the unit and staff are more than capable of providing first class care?
- 2 – Has an impact assessment been undertaken on the long term financial and community costs for the downgrading of the unit?
- 3 – What does the Health Inspectorate Wales say about this and its continued cost to a health board under constant financial pressure?
- 4 – For HDHB to review their system of transfer and get clarity on the long-term vision for the ITU?

Proposed by Councillor Stephen Williams

Seconded by Councillor Sean Rees

AGENDA ITEM 10

One Voice Wales Constitution and Governance Framework

I am writing to all our member Councils to describe some important proposed changes to our governance arrangements.

Since being established in 2004, our governance arrangements have served us well. We want to ensure that they remain sound and robust, with the flexibility to respond to change. We want to facilitate improved engagement with our diverse membership.

A copy of the new draft constitution is attached. The new measures include streamlining the arrangements for an AGM to be quorate and improving the effectiveness of the NEC.

These changes require formal adoption. An Extraordinary General Meeting will therefore be held to consider the new constitution.

The meeting will be held remotely at 4.00 pm on Wednesday 3 September 2025.

20% of member Councils must attend for the meeting to take place. This will be the only item of business. The agenda will include a summary of the proposed constitutional changes.

Each Council should nominate one of its Councillors to attend and, in advance of the meeting, determine its position on the constitutional changes being proposed.

Please notify Tracy Gilmartin tgilmartin@onevoicewales.wales of the names and email addresses of your representative and substitute. Councils should nominate one Member to attend and a substitute Member who may only attend in the unavoidable absence of the nominated representative.

It is important that Councils give this matter their attention and ensure that they are represented at the remote meeting to ensure that we achieve the required level of representation to approve the new constitution.

Any Council who wishes to propose any amendments to the proposed new constitution must let me know in writing by 15 August 2025 (5.00 pm).

If no amendments are received by the deadline, an online vote will be taken at the Extraordinary General Meeting using a polling system that will request that Councillors present indicate either YES or NO in response to the proposed constitutional change. Guidance on how to use the polling system will be published in advance of the meeting. The meeting will be recorded so that a permanent record can be maintained of the outcome of the voting process.

The new measures sit alongside wider improvements to the way in which our committees operate, standardising our methods of working. Other changes include role descriptions to provide greater clarity about the roles and responsibilities of positions such as Area Committee representatives. A summary of these changes is attached.

As the national representational body for Community and Town Councils in Wales, it is vital that our governance arrangements support organisational effectiveness. We are confident that the changes will provide this assurance.

We encourage all Councils to engage in this process to put these changes into practice.
