AGENDA ITEM 6

TO: ALL MEMBERS OF LLANELLI TOWN COUNCIL

MEETING – MARCH 2026

COMMUNITY DEVELOPMENT AND ACTIVITIES REPORT

The Town Council has a legal duty under the Well-being of Future Generations Act 2015 to ensure it takes consideration of the Act in all its activities and services. The Town Council Community Development Service supports the delivery of the objectives set out within both the Act and the Carmarthenshire Well-being strategy through its work in Llanelli with Community Organisations and key partners for 2026 / 27.

(1) Community Activities

- **Healing the Divide** – Four Training sessions have been held recently for community leaders. The training has been online and in person. Healing the divide within the community requires intentional collaboration, open dialogue, and sustained commitment from all stakeholders. By bringing together 21 organizations from across the community, an unified approach can be built that strengthens community cohesion and fosters mutual understanding. Through shared initiatives, joint events, and coordinated outreach, these organisations create safe spaces for constructive conversations that bridge differences and rebuild trust. A key component of this effort is providing disinformation and misinformation training, equipping community leaders and residents with the tools to critically assess information, challenge harmful narratives, and promote accurate, fact-based communication. Together, these collective actions look to reduce polarisation, strengthen relationships, and create a more resilient, informed, and connected community. From the session the organisations are committed to working together on several community cohesion events through the year. The project will work closely with the Jo Cox Foundation.
Further information to follow
- **Llanelli Schools Football Tournament** - The Town Council working alongside Actif Sir Gâr and the Carmarthenshire Schools FA ran the primary school's tournament at Ysgol Penrhos on 24th February 2026. The event provided opportunities to showcase footballing talent from across Llanelli and promoted participation in school sport. The tournament celebrated teamwork, skill, and fair play, while offering pupils a positive competitive experience. The top eight teams will now go on to represent Llanelli at county level in the finals.

- **St Davids Day Celebration-** A range of celebratory activities were delivered, including a community cooking session where traditional cawl was prepared alongside a Welsh-themed quiz. A parade through Llanelli town centre involved over 330 local children, celebrating community spirit and culture. In addition, an EYST celebration was held, recognising and supporting children from ethnically diverse backgrounds.
- **Democratic Community Activity** - Officers of Llanelli Town Council have engaged with several community groups, including Llanelli Multicultural Network, Hearts & Crafts, and People Speak Up, in relation to the forthcoming changes to the Senedd election. These discussions have focused on raising awareness, promoting understanding of the updated arrangements, and ensuring that accurate information is shared widely across diverse communities.
- **2026 Twining Projects** - New links have been established with the football and tennis clubs in Agen, strengthening our international sporting partnerships. Dates have also been confirmed for the Twin Town Rugby Challenge, which will be hosted in June, further promoting collaboration and cultural exchange. Further information to follow.
- **Project Siloah** – Officers continues to engage with the Project Siloah. The project centres on the restoration of Siloah Chapel, a Grade II listed building located in the heart of the Seaside community. Having stood closed for many years, the chapel remains at risk due to long-term decline and deterioration. Project Siloah aims to carefully conserve and restore this important heritage asset, reopening it as a sustainable heritage and community hub that serves current and future generations. The project focuses on heritage conservation, learning opportunities, wellbeing initiatives, and inclusive community activity, creating a vibrant space where people can connect, grow, and thrive. With a strong emphasis on supporting children, young people, and families, Project Siloah seeks to provide accessible programmes, safe spaces, and meaningful activities that strengthen community ties while preserving the building's historic significance. The project has already attracted substantial funding.
- **Half Term Activities** - The half-term activities were highly successful, with over 100 participants attending throughout the week. The free darts competition proved particularly popular, attracting more than 45 players and reinforcing the need for weekly sessions for the sport.

AGENDA ITEM 8

Notice of Motion:

Removal of Councillor Attendance Allowance and Role-Based Expenses

This Council notes that following a vote in 2023 under the previous administration, it was resolved to introduce an "Attendance Allowance" for members to attend meetings.

The Independent Remuneration Panel for Wales did not mandate Town or Community Councils to introduce such payments. Rather, the Panel recommended that Councils be given discretion to introduce a payment of up to £30 per meeting should they wish to do so.

For decades, the role of a Councillor at Llanelli Town Council has been recognised and respected as a voluntary public service position. The introduction of attendance and additional role-based expenses represents a departure from that long-standing principle.

We remain committed to support future Councillors of all backgrounds, to contribute to our town through a targeted discretionary support that does not drain the budget as the previous expenses have since their introduction.

Town Councillors' attendance and additional role-based expenses are therefore considered unnecessary, counterproductive, and an unjustifiable cost to the taxpayer.

Therefore, this Council resolves to commit to the removal of the following Councillor expenses and allowances:

- **Attendance Allowance (£30 per meeting)**
- **Mayoral Allowance (£1,500 per annum)**
- **Deputy Mayoral Allowance (£500 per annum)**

This proposal seeks to restore the voluntary nature of the role and reduce the financial burden on the taxpayer, delivering a meaningful annual saving to public funds.

Accordingly, this Council agrees to cease the above payments with immediate effect, subject to any necessary administrative or regulatory processes.
